Executive Summary

HÍ OL XEĆSET E TFE HELHIWEKÍ

The Saanich School District provides outstanding instruction through a diverse array of programs and services in 18 schools to support more than 8,000 students. With more than 1,300 staff, our district continues to build upon the many years of collaboration and sense of community that exists to make Saanich Schools an outstanding place to learn and work.

To develop the 2022-2027 Strategic Plan, we engaged in a year-long process of analysis, dialogue and community consultation. Students, parents/guardians, staff, the WSANEC First Nation and other community members came together to provide input and insights resulting in the identification of four Strategic Plan priorities – Literacy, Indigenous Learner Success, Mental Health and Wellness, and Citizenship.

These goals will remain consistent over the 5-year life of the plan, while also remaining flexible due to emerging information. This will allow the plan to be responsive and adaptable to changes within our Saanich Schools community.

STRATEGIC PLAN 2022-2027

- ▶ An effective Strategic Plan provides everyone in our community with a clear picture of our priorities for student success.
- ▶ Created over the past year with extensive consultation in our schools and community.

 - ▶ Memorable and Relatable
 - ▶ Confirmed with stakeholders through:
 - ▶ Focus groups

 - ▶ Provides the District with Direction to Align Resources

The Strategic Plan XĆIÇESTEN

The Board's Strategic Plan serves as a framework through which district directions and decisions are considered and initiated. It is our public commitment and acts as a road map to guide the district from where it is to where it wants to be.

The 2022-2027 Strategic Goals:

- ▶ **LITERACY** To improve student literacy across the curriculum for all students with a particular focus on early learning
- ▶ **INDIGENOUS LEARNER SUCCESS** To engage in practices that support culturally responsive and barrier-free learning environments for Indigenous students
- ▶ **MENTAL HEALTH AND WELLNESS** To promote mental health and well-being through social emotional learning and trauma-informed practice
- ▶ **GLOBAL CITIZENSHIP** To provide opportunities and experiences that inspire learners to be knowledgeable, curious and active global citizens who support the well-being of oneself, family, community and our environment

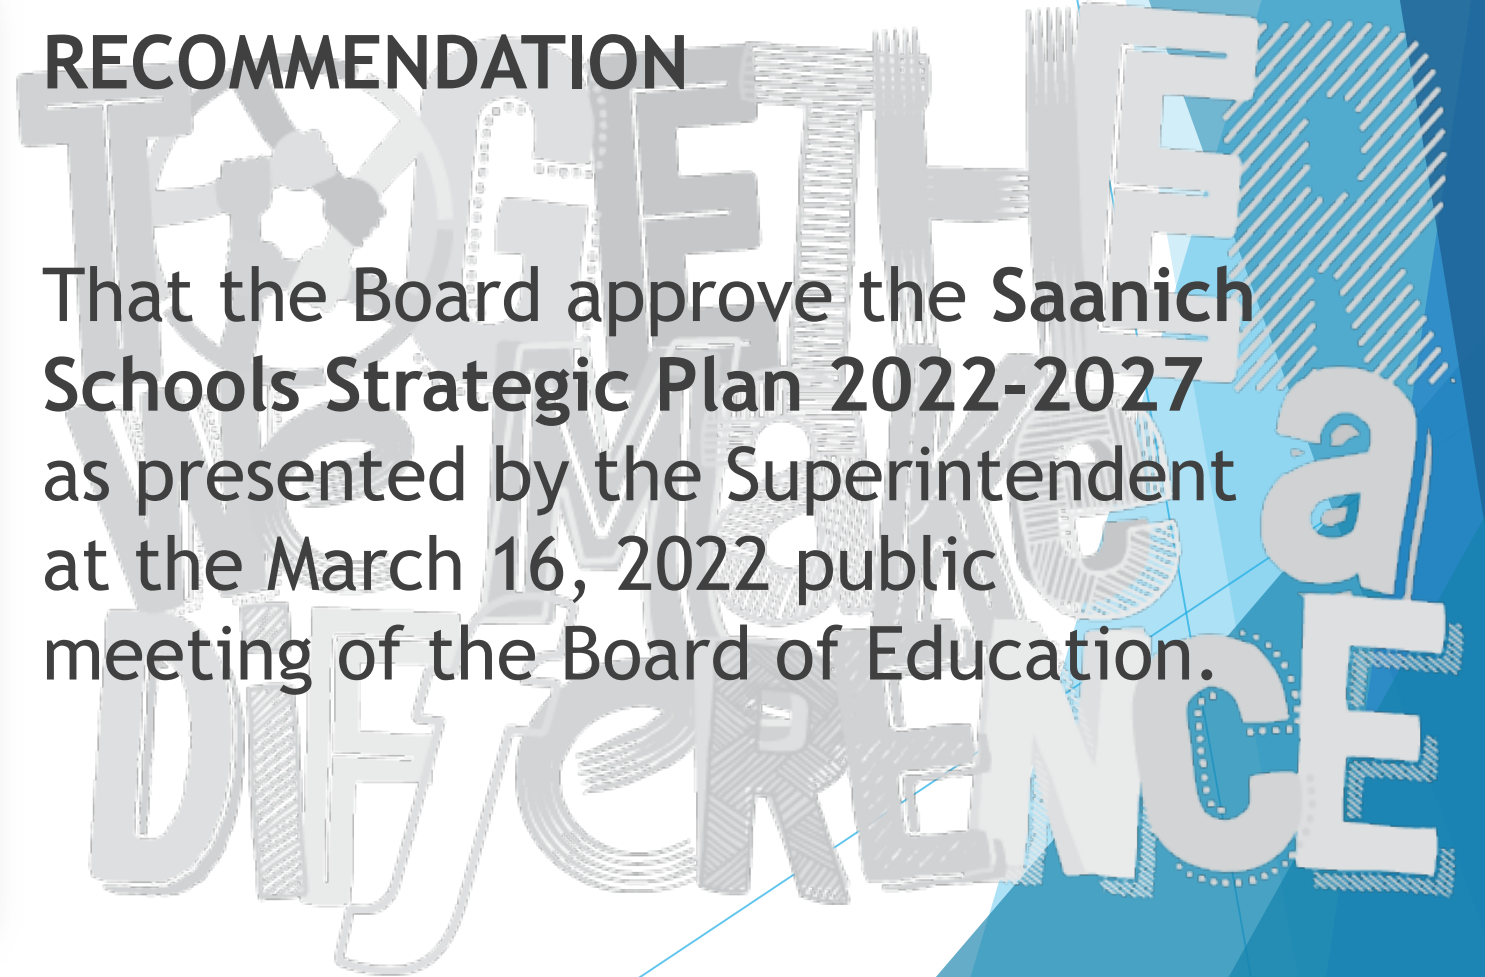

STRATEGIC PLAN 2022-2027
