

School Successes

January 18, 2023 Board Meeting

Parkland

- Every Child Matters at Parkland - students found a way to share that message in the front foyer by our welcome pole (see attached picture).
- The Winter Concert was fantastic. Students loved watching the staff make fun of themselves.
- The Food and Clothing Drive was a big success with the food bank receiving over \$1,500 plus the truckload of non-perishable items.

Stelly's

- The Kindness Drive was held from December 9–16 and collected non-perishable food items to donate to the Saanich Peninsula Food Bank.
- Stelly's Athletic Conditioning Class held a class reunion with past students in celebration and acknowledgement of teacher Lynn Montgomery who will retire at the end of January.
- The Senior Girls Volleyball team placed 8th at the BC Provincial Championships and were named "most sportsmanlike team".
- The Stelly's Band students performed in the Sidney Christmas Parade. They also serenaded all students with carols as they walked into the school on the last day before the holidays.
- The Junior Musical Theatre presented "Let's go to the Movies" on December 14th – the performance was enjoyed by all!
