

## Successes – May 17, 2023 Board Meeting

### KELSET

- Over twenty students participated in the school level Reading Link Challenge. The grade 5 team will be competing against teams from Sidney and Deep Cove in the Reading Link Challenge finals!

### North Saanich

- Hosted four UVic practicum students in three week placements who engaged with staff and students in all things North Saanich and modeled an amazing growth mindset during their time here. The future looks bright!
- Our grade 5 student day was fantastic. Amazing staff facilitators and grade six leaders made everyone feel welcome as they engaged in activities to meet and get to know the school. It was so nice to meet future Hawks!
- The North Saanich virtual parent night was very well attended.
- The Hip Hop Dance team recently performed at the Greater Victoria Performing Arts Festival and have been asked to participate in their Showcase.

### Bayside

- Bayside competed at the Skills Canada Provincial Competition and won Gold for the Sumobot Competition and Bronze for the Gravity Car Race Competition.

### Royal Oak

- The ROMS music program is continuing to grow and students have been busy performing in a variety of concerts including the Whistler Music Festival, performing for our elementary feeder schools, and participating in the Port Albert Music Festival.

### Parkland

- Parkland student Ruby Broadbent won two races at the Oregon Relays:

- The grade 8 transition visit for North Saanich students was a big success!
- A Parkland student has qualified to represent at the Nationals in Winnipeg for Photography after winning the Provincials in the Skills Canada Competition.

**Stelly'**

- The [Stelly's slideshow](#) contains exciting highlights of our staff and students!
