

Superintendent's Report

Dave Eberwein, Superintendent

April 14, 2021

Superintendent Eberwein Learns a New Skill

Brentwood Gr4/5 Ms. Brown - March 10th

Keating Elem. Kindness and Appreciation - Mar 8th

Mr Jungen's & Ms. Drolet's class
Board Office Staff Daffodils - Mar 8th

Remote Learning - Curriculum Connections

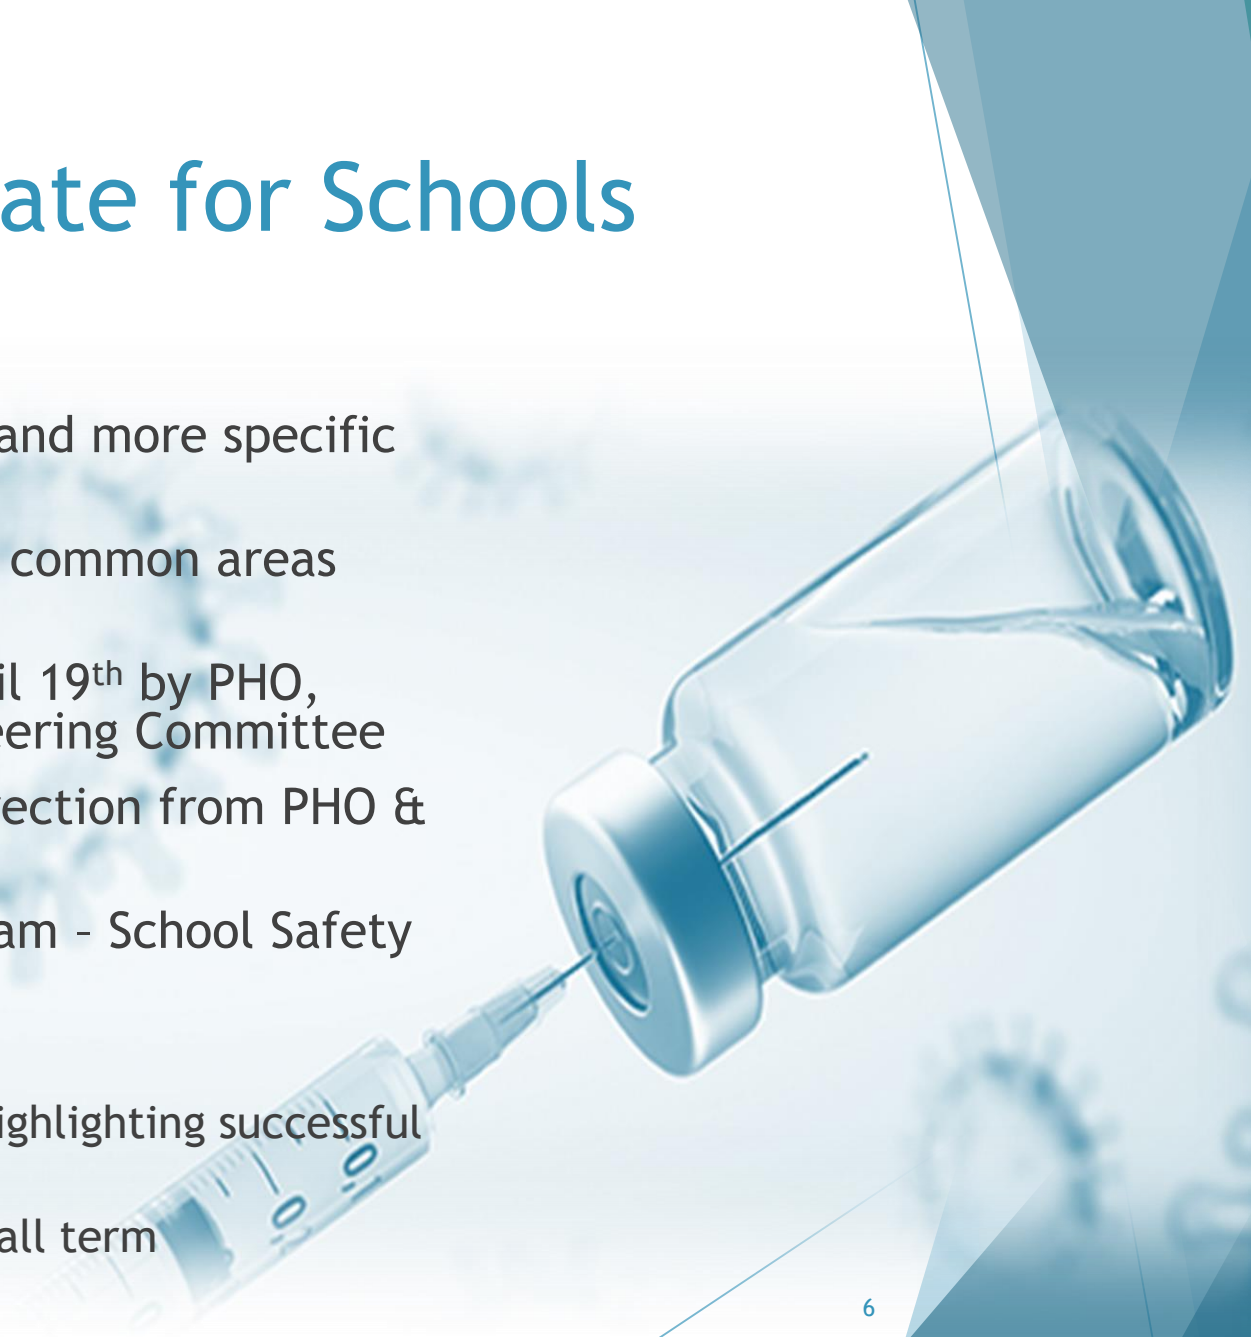

- ▶ Increase in the number of learners
- ▶ Teachers connected with their students through daily classes
- ▶ Last date to return to in-class learning is May 10th
- ▶ Addition of Science and Social Studies curriculum opportunities for families in January
- ▶ Pilot on Tuesday/Thursday evenings to support transition back into school
- ▶ Coordinated by Director Hunter

Ed Tech Working Group - Collaboration in Action

- ▶ Technology as a tool and not an end in itself.
- ▶ The EdTech working group (teachers and administrators) has been collaborating to better understand how technology can amplify teaching and learning.
- ▶ Currently working on creating a transparent and sustainable process to onboard new resources as well as continually review current resources.
- ▶ Led by Assistant Superintendent McKenzie and Director Henschel

COVID-19 - April Update for Schools

- ▶ Mask protocols now include Gr 4&5 and more specific rules for music and PE
- ▶ Reinforcing safety measures in staff common areas (e.g. physical distancing; barriers)
- ▶ Guidelines to be reviewed after April 19th by PHO, BCCDC and the K-12 Educational Steering Committee
- ▶ Staff vaccine roll-out waiting for direction from PHO & Island Health Authority
- ▶ Vancouver Island Rapid Response Team - School Safety Plan audits
 - ▶ Provincial sharing strategy
 - ▶ Identifying gaps or challenges and highlighting successful strategies
 - ▶ Gaining insights to prepare for the fall term
