

# SAFE DISCLOSURE OF COMPLAINTS RELATED TO STAFF INCLUDING MANAGEMENT

## Purpose

The District is committed to honesty, integrity, and accountability in its operations, programs, and services and to promoting a culture of openness and transparency. The District encourages and supports all personnel in bringing forward reports of unlawful acts and acts of Wrongdoing in a manner consistent with the provisions of the British Columbia *Public Interest Disclosure Act* (“PIDA”).

This administrative procedure outlines a process, in compliance with the PIDA, for individuals to report, in good faith, wrongful or unlawful conduct without fear of retaliation or reprisal.

## Background

From time to time complaints may be made about alleged inappropriate action by a member of the District. Complaints against any employee may be made including members of the management team. All complaints will be dealt with expeditiously. Some forms of complaint are covered by procedures established through legislation, collective agreement, or other practices to which the District and its employees are committed. In every case complaints of this type will be handled in accordance with those procedures. Complaints not covered by such procedures shall be handled in accordance with this Administrative Procedure.

The District expects that all employees will demonstrate exemplary behaviour so as to maintain and increase public confidence and respect for the public school system. Expectations for exemplary behaviour of management shall be as those described in relevant documents of the B.C. Principals’ and Vice-Principals’ Association (BCPVPA), the B.C. School Superintendents’ Association (BCSSA), the B.C. Association of School Business Officials (BCASBO) and other similar associations.

The District expects that established procedures will be followed in respect of all complaints, including means of making judgments about the relative significance of those complaints. Any actions taken in relation to complaints shall be fully consistent with provincial legislation or regulation, with Board policy, with administrative procedures and with collective agreements, where these are relevant to the issue at hand.
