Subject: School Calendar 2027-28

Date: February 27, 2025

---

### **Background/Rationale:**

In June 2024, the Board approved School Calendars for 2025-26, and 2026-27. In annual conversation with School Districts 61 and 62, there is interest in continuing with approval of school calendars to allow us to project for three full years.

During December 2024 and January 2025, we met with School Districts 61 and 62 to discuss and align the proposed calendar where possible in preparation for district-based consultation. After the creation of the draft calendars, we met with partner groups (STA, CUPE, STA) to gather input and amendment recommendations. The prepared calendar submitted for consideration has been approved for review to the Education Directions Committee.

### **Context**

School districts are required to submit a school calendar to the Ministry of Education for the following school year no later than March 31st of each year. As we have confirmed next year's calendar, we can submit subsequent year calendars in the summer for Ministry approval.

As per the attached School Calendar Regulation, the proposed school calendar must be made publicly available for consultation at least one month before the date it is to be submitted to the minister.

The attached school calendar for the year 2027/28 is proposed for public feedback and consultation from March 13<sup>th</sup> to April 14<sup>th</sup>, 2025. The timing allows the public to provide feedback, with time for the Board to consider the feedback, and, if necessary, adjust the proposed calendars prior to formally adopting the calendars at the May 2025 Board meeting.

The proposed calendars meet the following objectives and obligations:

- As per the Collective Agreement with the Saanich Teachers' Association, Spring Break must begin on the third Monday in March;
- For the 2013-2014 school year, the Board adopted a calendar with one week of spring break and a week of closure time, and subsequent Boards have maintained this model;
- The three local school districts (61, 62, and 63) try to align the school calendars as much as possible, in particular the spring break and closure weeks; and
- The number of non-instructional/professional development dates are balanced between semesters.

**Recommendation**

*That the Board forward the 2027/28 school calendar for public consultation for the dates March 13<sup>th</sup> to April 14<sup>th</sup>, 2025.*

Submitted with respect,

## Context

### Academy Fee Process

In accordance with the *School Act - Specialty Academies 82.1*, a board that offers a Specialty Academy must, before July 1st of each year:

1. Consult with the parents' advisory council for the school where the program is offered, and
2. Obtain the approval of the parents' advisory council for the schedule of fees, and
3. Make the schedule of fees available to the public.

In order to meet this requirement Saanich School District have asked schools offering a Specialty Academy to complete an annual process:

- Reviewing academy fees for the subsequent year and, if required, provide rationale for any increase;
- Meeting with the school PAC members to obtain approval for the fees for the subsequent year;
- Preparing a letter for PAC member signatures;
- Submitting a copy of the signed letter to the Assistant Superintendent who will prepare a report for the Education Directions meeting; and (subject to Board approval); and
- Schools sharing Academy Fee information on their website by no later than June 30th.

### Included in the Fees

Academy fees at each school support the following program costs:

Climbing: Coach, equipment, busing.

Hockey: Coach, ice time and busing;

Judo: Additional instructor, guest instructors and mats;

Sailing: Sidney/North Saanich Yacht Club – Technical experience, provision of boats, equipment;

Lacrosse: Technical coach, field rental, busing, equipment;

Aquatics: Transportation and swimwear;

Golf: Green fees, golf professional, busing;

Rowing: Equipment rental, Technical coach, busing.

### Communication

- Each academy has a tab on the school website under Programs, with a description of the course. Application packages are available, including fee structure information.
- Information is shared at the annual Open House event, and at school Info Nights.
- Details are shared in person at information sessions to Grade 8 students who are transitioning to Grade 9.
- **No students are excluded due to hardship.** Schools are able to reduce or waive fees for any student that is unable to pay. For some students, fees are waived each year.

Attached for reference is a summary of proposed fees for the 2025-26 academic year. Please note for this year, we have two proposed fee amendments:

1. Parkland recommends an increase of \$100 per course due to increased International Baccalaureate fees and to mitigate the impact of US dollar exchange rates.
2. Stelly's Climbing Academy proposed price increases for new (\$125) / returning (\$100) students to address increased cost pressures related to:
  - Staffing
  - Equipment
  - Field trip expenditures

PACs were provided with, and approved the proposed fee schedules. (see attached)

### **Recommendation:**

*That the Board approve the Academy Fees and Programs of Choice for the 2025-26 School Year.*

Submitted with respect,

The following is the 2025-26 fee structure for the **IB Diploma Program** as approved by our Parent Advisory Council:

The cost to students for participating in the full IB Diploma and IB Certificate program are:

Certificate Program Year 1	\$175 per Course (Increased from \$150) to a Max of \$600
