Re: Support for proposed Cooperridge and Cunnanes trails

Dear Mayor and Council,

The Confederation of Parents' Advisory Councils of Saanich (COPACS) and Keating Elementary School Parents' Advisory Council are writing to express support for the proposed trail infrastructure through the Cooperridge gulley and along Cunnanes Road.

These trails will facilitate travel across the beautiful landscapes of our community and safe and active transportation to school.

Thank you for your support and advancement of these important child-friendly pieces of infrastructures,

Sincerely,

Phil Molloy
