The call-in replacement will be assigned for the period of absence until the return of the incumbent. When the call-in is filled by a person who is not the most senior qualified replacement and the return of the incumbent is extended and deemed to be a longer-term assignment (per (c) above), the assignment will be re-evaluated to determine if a more senior replacement should be assigned.

(e) The school/location can call-in a suitable replacement from the list for the following leaves:

- General Leave pursuant to Article 24.09
- Partial leave pursuant to Article 24.12
- Union leave pursuant to Article 24.01

(f) Leaves for partial day/shift when unknown in the previous day can be called by the school/site from the replacement list for that day only. Any subsequent days will be replaced through the central call-in.

(g) Central call-in will be managed as follows:

The Central Call-in position will call the following job classifications:

- Clerical Staff
- Data Services
- Support workers except for noon hour supervisors (Job 49) who will be called by the school

(h) Physical Plant will call the remaining job classifications of Maintenance, Custodial, Grounds and Transportation following the procedures described in this Article. The Central Call-in position will not call these classifications.

For Custodial positions, after the provisions of Article 11.01 (a) have been fulfilled, call-ins for known absences will be arranged so that the senior available replacement employees are assigned to the longest known assignments with the greatest number of hours in order of seniority. As call-ins are continually shifting in an unpredictable manner, rearrangement of assignments will be carried out on an as-required basis.

(i) It is expected that temporary employees on the Call-In list will be available for dispatch work. Employees in the Clerical, School Support Worker and Data Services classifications will be available to work and will answer dispatch calls between 6:00 a.m. and 9:00 a.m. Custodians will be available to answer their calls between 12:30 p.m. and 1:30 p.m.

(j) **Definition of Failure to Respond:**

For the purpose of this Article, failure to respond to a call from Central Call-In means both a verbal refusal to be dispatched from the employee on the Call-In list, and failure to answer the phone call from Central Call-In during the periods stated.

(k) **For Employees without Secondary Seniority:**

Eight (8) failures to respond to a call from Central Call-In during a twelve (12) month period (July 1st to June 30) will result in being removed from the Call-In list resulting in termination of employment. These employees are expected to be available for work.

The Employer will notify the employee in writing after six (6) failures to respond that the employee only has two (2) more opportunities to fail to respond during a twelve (12) month period (July 1st to June 30th) before his/her name is removed from the Call-In list resulting in termination of employment.

Temporary employees without secondary seniority may make themselves unavailable for work for no more than a total of fifteen (15) working days per year (July 1st to June 30th) by providing the employer with written notice at least twenty-four (24) hours in advance of his/her unavailability for circumstances other than emergencies.

(l) **For Employees with Secondary Seniority:**

Pursuant to Article 15.05 (h) (3), if the employee fails to respond to eight (8) calls from Call-In within a twelve (12) month period (July 1st to June 30th), he/she will lose their secondary seniority. The Employer agrees to notify the employee in writing once the employee fails to respond to six (6) call-ins.

Employees with secondary seniority who want to schedule regular days of unavailability must provide the employer with advance written notice of at least twenty-four (24) hours of his/her unavailability for circumstances other than emergencies. For extended periods of total unavailability, the employee needs to provide the employer with written notice at least five (5) working days prior to his/her unavailability and include a reason or

description of the circumstances. Such periods of total unavailability shall not exceed a total of sixty (60) working days per year (July 1st to June 30th).

- (m) For the purposes of Article 15.05 (h)(3), when a replacement employee has not informed the Board in advance in writing of a period of unavailability and the employee is called for temporary replacement work, then the following will not count as a failure to respond:
- Emergency leave, accessed no more than two (2) times per year of one day in the event of illness in the employee's immediate family which requires their presence at home or the event of an emergency;
 - Jury duty where documentation is provided;
 - Compassionate leave of up to three (3) days for bereavement caused by the death of a mother, father, sister, brother, spouse, common-law spouse, child, grandparent, grandchild, father-in-law, mother-in-law, sister-in-law, brother-in-law, stepsister, stepbrother, stepmother, stepfather, step grandparent and foster child;
 - Sick leave of no more than one (1) day per month;
 - Refusal due to a lack of a vehicle where one is required for the assignment.
- (n) If any call-in results in a busy signal, it will not count as a failure to respond and the rotation will advance to the next qualified, available temporary employee.
- (o) The parties agree that the following procedure will be used for the call-in of temporary work under Job 57 Facility Monitor. Job 57 work includes minor clean-up of the facility including clean-up of small spills, emptying garbage, and the set up and breakdown of the event. It will be determined at the time of the Community Use contract if a Job 9 custodian is needed, and call out for that work would be pursuant to the regular call out in Article 11.01. If the Job 9 work is determined to be four (4) hours or more, then a Job 9 would be called out for the entire event.
- (1) Job 57 temporary work will be filled under Article 11.01 (h) by Physical Plant.
 - (2) The employer will inform staff (both continuing and call-in temporary), through a memo each June and November on the CUPE bulletin boards, of the opportunity for temporary work as a Job 57. At these opportunities, employees can request to be added to the call-in list for Facility Monitor work.
 - (3) Employees can only do Job 57 temporary work when it does not result in overtime pay for the time worked as a Job 57.

- (4) The temporary Job 57 work will be assigned by Community Use contract.
- (5) The employer will call in available staff on the list in seniority order and will endeavour for longer term assignments to assign qualified staff with continuing or secondary seniority, pursuant to Article 11.01 (c).
- (6) As the employer does not wish to manage the unavailability of staff on the list, any refusal for Job 57 temporary work will not count as failure to respond pursuant to Article 15.05(h).

ARTICLE 12 - GRIEVANCE PROCEDURE

12.01 Definition

The arbitrator shall hear and determine the difference and shall issue a decision and the decision is final and binding upon the parties and any person affected by it.

12.02 Grievance Procedure

- (a) An earnest effort shall be made to settle grievances fairly and promptly. Prior to the grievance being filed, employees and shop stewards are encouraged to discuss the concern with the supervisor and attempt to resolve the concerns at this level. Within five (5) working days following receipt of the written grievance, the parties will meet to attempt to resolve the matter. If necessary, an additional meeting with the shop steward, or the employee

Step 2 Within five (5) working days following receipt of the Step 1 response, if the union does not consider the grievance to be satisfactorily resolved, it will request in writing that the grievance be advanced to Step 2. A union representative with or without the aggrieved employee will meet with the Secretary-Treasurer or designate to seek a resolution. The Secretary-Treasurer or designate will provide a written response to the grievance within five (5) working days of this meeting.

Step 3 Failing a satisfactory settlement within the time limits indicated in Step 2, the Union may submit, within five (5) working days, a written grievance to the Board's Human Resources Committee. A meeting between the Union's Grievance Committee and the Board's Human Resources Committee shall be at a mutually agreeable time, but in any event not later than ten (10) working days from the date the written grievance was received by the Secretary-Treasurer under Step 3. A written response shall be forwarded to the Union's Grievance Committee within five (5) working days of the meeting with the Human Resources Committee of the Board.

Step 4 Failing a satisfactory settlement under Step 3, the Union may, within seven (7) working days, submit the grievance to a board of arbitration under the provisions of Article 13 of this Agreement.

(b) Time limits may be extended by mutual agreement.

- (c) If the employee feels that the suspension is unjustified he/she may file a grievance as stipulated in Article 12 of this Agreement. The employee suspended will be allowed to return to work after the suspension and continue employment with all rights and privileges. If the Grievance Committee or the arbitrator does not uphold the Board's suspension, the employee shall then be paid for the number of days of suspension
- (d) When the suspended employee returns to work he or she will continue employment with all rights and privileges. Those employees under child abuse charges will not return to work until disposition of those charges.

14.07 Representation

Whenever the employer is meeting with an employee for a purpose that may lead to discipline, the employer will ensure that the employee is told they are entitled to representation from the Union. - (e) For the purpose of Articles 16 and 17, employees with the same seniority date: the date of hire to a continuing position will be the determining factor. In the event of a tie on the date of hire to a continuing position, the parties shall break the tie by:

 - (1) Notwithstanding sub (a), a Job 9 custodian who has more than one (1) year experience as a custodian may bump up to a Job 28 position provided he/she is senior to the Job 28 incumbent. - (b) Employees in receipt of notice of layoff pursuant to Article 17.02 shall be entitled to the following process:

- (b) Recall rights pursuant to (a) shall continue for one (1) year from the date of the layoff and at the end of the year there will be no rights to severance. At the end of the year, an employee on recall who has made himself/herself available for work during the year of recall, shall revert to an employee with secondary seniority with his/her secondary seniority shifts calculated based on his/her continuing seniority date. An employee who has not made himself/herself available for work during the year of recall shall have no further rights of employment with the Board.
- (c) Severance pay of one (1) week salary per year based on the salary paid on the date of layoff for each year of service as a continuing employee to a maximum of twenty-five (25) weeks.

Such leave shall be granted without loss of seniority. Should the medical certificate outline that the employee is permanently unable to return to work, the employee's position will be replaced on a continuing basis. Should the employee return to work, the employee would have the right to bump into his/her previous position if it exists or exercise their seniority rights pursuant to Article 17.03.

(b) Education Leave

Employees who have completed two years of continuing service with the Board may request a leave without pay for education purposes that are deemed to be of benefit to both the employee and the employer. Such leave shall be granted provided a suitable replacement is available. Such leave shall be granted without loss of seniority.

(c) General Leave

Employees may request a general leave of absence for up to one (1) year without pay and without loss of seniority. Such leave shall be granted provided a suitable replacement is available. However, general leaves for the purpose of accepting employment at another employer will generally not be granted except in extenuating circumstances. A renewal beyond the first year may be considered based on the merits of the individual request but there shall be no seniority accrual for such extended leave and the employer shall adjust the seniority date accordingly.

The employee shall provide documentation confirming the service performed upon request of the employer.

(e) Secondment Leave

Where a continuing employee elected to a part-time or full-time position as a union officer where Local 441 desires to second the employee to work for the local, or where the continuing employee is appointed on a term contract of employment to the administrative staff of CUPE National or secondment to the BC Federation of Labour, leave of absence without pay shall be granted for the duration of those duties as long as the seconding authority approves to fully reimburse the Board. It is understood that before taking such leave the employee will make arrangements in order to minimize any disruption of the school and district program.

For purposes of the term of the leave the continuing employee shall be deemed to be in the full employ of the Board. Articles 21, 22, 23, and 28 of the collective agreement will apply. During the term of the leave, the continuing employee will accrue vacation and seniority.

The Board shall continue to pay the CUPE member along with providing all the Article 28 benefits the member had prior to the secondment provided the seconding authority fully reimburses the Board.

24.12 Guidelines for Partial Leaves of Absence

Preamble:

Employees may be granted partial leaves of absence, without pay, upon his or her written request to the Secretary-Treasurer or designate specifying date(s) and times subject to the terms and conditions of this Article.

(a) Definition:

A partial leave of absence is a leave of absence from a continuing position either by reducing the daily hours, by reducing the number of days per week or by reducing the number of weeks in a four week cycle, for a specified period of time.

(b) Purpose:

The Board's purpose in approving partial leaves of absence is to protect the continuing employee's position for a reasonable period of time (as specified in this article) when the employee requires a reduction in the hours of work for the special reasons stated below.

(c) Seniority/Benefits:

Seniority with the Board is not affected. Eligibility for the following benefits is not affected: MSP, EHB, Dental, Group Life, Vacation, Sick Leave and Statutory Holidays. Group Life is based on earnings and will be reduced by the lower earnings. Vacation pay is calculated as a percentage of earnings and will therefore be reduced by the lower earnings. Sick leave will be earned based on the reduced hours. Statutory holiday pay will be included in the current reduced salary (i.e. biweekly earnings will not change). The pension benefit will be affected. The rate of accumulation

of service time in the plan will be reduced due to the temporary reduction in hours worked. Contributions will be temporarily reduced because they are a reflection of monthly wages.

(d) Eligibility:

(1) Family or Personal Circumstances

The circumstances must be of an emergent or compelling nature and would normally be related to the immediate family. Leave may also be granted to accommodate family circumstances that allow the employee to continue working in a part-time capacity. This leave request will be reviewed on a case-by-case basis. This leave request must be supported by evidence of the family circumstance that requires the employee support and, if approved, that the employer can operationally accommodate the employee's absence.

(2) Maternity/Parental

As an extension to a full-time leave as per Collective Agreement.

(3) Education Leave

Education Leave may be granted under the following conditions:

- (i) The course(s) provide for training relating to school district positions.
- (ii) Course attendance cannot be scheduled outside of the employee's regular work hours.
- (iii) The training is provided by a recognized institution.

(4) Medical Leave

As supported by medical evidence.

(e) Terms and Conditions:

- (1) A partial leave of absence may be granted by the Board and copied to the Union for a period not to exceed either:
 - (i) Six (6) calendar months; or
 - (ii) The school term (September to June - 10 months).

Provided a suitable replacement is available and operational needs can be met, the Board will make reasonable effort to accommodate employees who qualify for and request such leaves. Extension requests would not unreasonably be denied, but would not normally extend a partial leave beyond two (2) years.

- (2) Hours that become available in a school/location pursuant to the granting of a partial leave shall be assigned to employee(s) in the school/location in the same classification on the basis of seniority. If the temporary hours cannot be filled within the school/location then Clause 16.01 (b) - Vacancies applies where the temporary vacancy is in excess of ninety (90) days. Where the temporary vacancy is less than ninety (90) days the substitute will be selected from the district approved substitute list without posting.

24.13 Return from Leave

An employee on a leave of absence granted in accordance with Article 24.09 of less than one (1) year is expected to return to work on the specified return date. Failure to do so or to request an extension of the leave may be deemed to be a resignation by the employee.

An employee on a one year leave of absence granted in accordance with Article 24.09 is required to notify the Secretary-Treasurer in writing two (2) months prior to the expiration of the approved leave of absence of their intention to return or not from leave, or to request an extension to the leave. If such request is not received by the Secretary-Treasurer, such non-communication shall bar any extension of the leave. Failure to return to work on the specified return date may be deemed to be a resignation by the employee.

24.14 Domestic Violence

Domestic or Sexual Violence leave of absence shall be provided in accordance with the BC Employment Standards Act.

24.15 Cultural Leave for Indigenous Employees

In acknowledgement of the Truth and Reconciliation Commission's 94 Calls to Action, Principals of Truth and Reconciliation numbers 2 and 8, a regular employee who is Indigenous shall, upon request, be granted up to two (2) days leave per school year with pay, to participate in cultural and/or spiritual traditions and practices. Commencing July 1, 2023, the rate in which employees are reimbursed will be equal to the maximum per kilometer rate allowable by the Canada Revenue Agency, as it may be amended from time to time.

- (b) When the employer requires an employee to travel between workplaces that comprise one (1) posted position, the employer shall pay the mileage between locations.

The job evaluation committee will be made up of a maximum of three (3) representatives from the Board and a maximum of three (3) representatives from the Union. The committee will review recommendations from the employee and supervisor, and will make a decision by mutual agreement whether the job description requires updating and will also consider if the changes are significant enough to require the position to be re-evaluated in accordance with the job evaluation plan.

26.02 Job Rating

Any new position created by the Board or changes to an existing position's rating shall have the rate of pay set by mutual agreement of the parties to this agreement. The rates shall be jointly negotiated. In the event of failure to agree on the rates of pay, the matter shall be resolved pursuant to the arbitration procedure.

The Board and Union agree to apply for pay equity funds made available by the Provincial Government pursuant to a Pay Equity Program.

This agreement in no way commits the parties to assign future pay increases to pay equity adjustments, but is meant to ensure identified inequities in pay between male and female dominated jobs will not be increased.

26.04 Supervisory Jurisdiction

The Union will be advised of the executive personnel having supervisory jurisdiction over the various classifications of employees.

26.05 Banding

The parties further agree that the band rate of pay established as of January 1, 2020 will be subject to all future general wage increases. Any future modifications to designated positions resulting from processes including but not limited to: additional wage increases though the implementation of funding associated with Article 28.07; the Service Improvement Allocation (SIA); Labour Market Adjustments; or the job evaluation process will not trigger additional wage increases to the established band rate of pay.

No permanent appointments shall be made by the Board in the area affected by the change until the employees already working have been notified of the proposed change and allowed a training period as considered adequate by the parties, but in no event to exceed three (3) months, to acquire the necessary knowledge or skill for the trainees to retain their employment.

29.03 Settling of Differences

The parties agree, should a dispute arise between the Board and the Union in relation to adjustment because of change, there shall be no suspension of work on account of such dispute, but an effort shall be made to settle the same in the manner prescribed in this Agreement for the settling of grievances up to and including arbitration if necessary.

ARTICLE 30 - CONTRACTING OUT

30.01 Contracting Out

The Board respects the desire of the bargaining unit for job security. No continuing employee shall be laid off as a consequence of the contracting out of work or services presently and normally performed by members of the bargaining unit.

ARTICLE 31 - GENERAL

31.01 Plural or Feminine Terms May Apply

Whenever the singular, masculine or feminine is used in this Agreement it shall be considered as if the plural, feminine or masculine has been used where the context of the party of parties hereto so require.

31.02 Use of Employee Vehicle

When an employee agrees to a request to use their private vehicle for School Board business and if the vehicle is involved in a traffic accident which the police report the employee was not at fault, the Board shall pay to the employee the deductible portion of the employee's insurance claim to a maximum of two hundred and twenty-five dollars (\$225).

31.03 Copies of Agreement

The Board shall make available to each employee a copy of this Agreement within two (2) months following ratification and signing of the Collective Agreement in its final form.

31.04 Time Lost Through Injury/WCB Leave

The Board agrees that time lost through injury or disease that is recognized by the WCB should not be deducted from sick leave, and that no loss of net after tax

salary for the period covered by the WCB claim should occur and therefore:

- (a) Where an employee suffers from a disease, or injury (hereinafter called the “disability”) and the employee gains compensation under the *Workers’ Compensation Act*, the employee shall not be required to use sick leave credits for time lost.
- (b) All monies received by an employee by way of compensation for loss of wages under the said Act shall be paid to the Board in return for which the Board will calculate and pay an amount which estimates the gross income and tax payable to approximate the equivalent after-tax income, such that there is no net loss of take home pay. The wage loss calculated will be based on the salary as assessed by WCB subject to appeal to the Labour Management Committee. The employee will be entitled to any salary increase occurring during the period of compensation.
- (c) Notwithstanding any other provisions of the Agreement, employees shall not earn vacation while they are on Workers’ Compensation in excess of sixty (60) consecutive calendar days.
- (d) Any disability pension or other final settlement arising from this claim is awarded to the employee. The final WCB resolution of this claim will constitute an end of the application of this clause.
- (e) When an employee is paid by the employer for wage loss pursuant to this Article and the time is not approved by WCB and the employee has no sick leave, vacation or overtime lieu bank available, the employee will reimburse the overpayment through deduction from future pay(s) or if not returning to work, reimburse the employer directly by cheque.

31.05 Whistle Blower Protection

No employee shall be dismissed, disciplined or penalized as a result of reporting illegal violations in connection with pollution, WCB regulations, theft or other illegal violations unless it is determined that the employee is in any way involved in the infraction. It is agreed that the union shall advise the employer of any violation it may be aware of prior to reporting any alleged violations, and to afford the employer reasonable opportunity to correct the violation.

ARTICLE 32 - TERM OF AGREEMENT

32.01 Duration

- (a) This Agreement shall be binding and remain in force and effect from the 1st day of July, 2022 to the 30th day of June, 2025 and shall continue from

- (b) The operation of Section 50(2) and (3) of the *Labour Relations Code* be specifically excluded and shall not be applicable to this agreement.

32.02 Negotiations

Job posting and appointment letters will be clear with regard to the days of work while students are in session.

If the schedule of non-instructional days changes, affected staff will be advised with twenty-eight (28) calendar days notice.

APPENDIX “E”

RE: Entitlements of Temporary Employees

This appendix is intended to summarize previous discussions and correspondence between the parties commencing in the fall of 2013 in relation to the rights, benefits and entitlements of temporary employees under the Collective Agreement. While Article 1.03 (Temporary Employee) states that it “... covers all the rights of a temporary employee...” the Parties agree that this statement is not strictly accurate.

Misunderstandings have arisen around the word ‘rights’ particularly in the sense of rights that are not specifically referred to in Article 1.03, but nevertheless accrue to all employees by virtue of law, practice or other requirements.

The Parties recognize and agree that there are complexities associated with many articles in the collective agreement that cannot be captured in a simple table. The table is intended as a guide; however, each article must be read carefully as there may be instances in which the check marks in the table cannot fully explain all interpretive nuances. A number of footnotes have been added at the end of the table to help clarify the application of some articles (or portions thereof) to temporary employees.

Notes to Table:

- Where the notation ‘Not applicable’ is used, it generally means that the article does not pertain to employee status and may apply to all employees. For some articles we have indicated both N/A and that it applies to temporary employees (e.g. Art. 12 and 13).
- Where an article does not apply to temporary employees, it generally applies only to continuing employees unless otherwise clearly specified.
- There are some instances in which a contract provision could apply to an on-call temporary employee; however, it would be extremely rare (e.g. Art. 24.01).
- Art. 16.04 has been designated with X* indicating that the original intent of the article was for continuing employees; however, some aspects of this article could apply to temporary employees, such as Art. 16.04(c).

- Art 22.02 applies to temporary employees in posted positions; however, they must have sufficient time in their vacation bank to receive regular payment during Winter or Spring Breaks.
- The parties acknowledge a disagreement with respect to the application of Art. 1.03(b)(3) and Art. 23.01(a) as it applies to on-call temporary employees. While the employer maintains that an on-call employee must have physically commenced an on-call assignment before being able to access banked sick leave, the union asserts that an on-call employee only needs to be contacted by the central call-in staff to be eligible to claim sick leave.
- In Art. 24 some columns have been noted X*, which indicates that this type of leave of absence could apply to an on-call temporary employee while that employee is currently assigned in a vacant position.
- Art 24.12 – Guidelines for partial Leaves of Absence generally does not apply to temporary employees. Exceptions would be for temporary employees in posted positions who are required by their physician to take a partial medical leave of who qualify for such a leave in accordance with the family responsibility provisions of the *Employment Standards Act*.
- Art 25.07 – *Some* on-call temporary employees in specified job classifications are entitled to be reimbursed in accordance with this article when required by OH&S regulations to wear specialized footwear.
- For the most part, Appendices “A”, “B” and “C” apply to continuing employees, however, some elements could apply to temporary employees.
- For LOU – Temporary Worksite Closure this language would apply to on-call in temporary appointments only where they had already been called and dispatched for the day in which the closure took place.

AGREED December 15, 2022

CUPE Local 441

Board of Education of School District
No. 63 (Saanich)

PART "A"

Provincial Framework Agreement ("Framework")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.

- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or

- b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

- 3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
- 4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
- 5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;

- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020-

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.

12. Committee Funding

There will be a total of \$150,000 of annual funding allocated for the purposes of the Support Staff Education Committee, the Provincial Labour Management Committee and the Provincial Joint Health and Safety Committee.

13. Public Education Benefits Trust

- a. PEBT Annual Funding Date: The established ongoing annual funding payment of \$19,428,240 provided by the Ministry of Education will continue to be made each April 1. This payment shall be made each April 1 of the calendar year to provide LTD and JEIS benefits in accordance with the Settlers Statement on Accepted and Policy Practices of the PEBT.
- b. The Parties agree that decisions of the Public Education Benefits Trust medical appeal panel are final and binding. The Parties further agree that administrative review processes and the medical appeal panel will not be subject to the grievance procedure in each collective agreement.
- c. Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEBT.

14. Benefits

- a. Effective July 1, 2023, provide \$3 million dollars as ongoing annual funding to explore enhancements to the Standardized Extended Health Plan, including dental coverage, counselling and other improvements to benefits.

A one-time joint committee of up to four representatives appointed by BCPSEA and up to four representatives appointed by support staff unions will determine the enhancements to be implemented.

Any residual from the benefits standardization will be allocated to the Job Evaluation Fund.

- b. Effective July 1, 2023, provide \$1,000,000 one-time money to the PEBT to be utilized for addiction treatment support programs. The PEBT will determine appropriate terms of use for accessing the funds which will include, but not be limited to: priority access for support staff employees (vs. School Districts), treatment cost considerations, and relapse response.

15. Production of Local Collective Agreements

BCPSEA commits to providing a draft 2022 local collective agreement which includes all negotiated updates, within 30 days of ratification by the local parties. The draft collective agreement will be provided in editable format with changes tracked for the local parties to review.

16. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

17. Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

18. Education Assistant Credential Standardization

Should the Ministry of Education initiate discussions regarding standardized credentials for Education Assistants, the provincial parties will each send a letter to request participation in the process.

19. Provincial Framework Bargaining 2025

The Parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding to the K-12 Presidents Council to facilitate the next round of provincial bargaining. \$250,000 will be allocated as of July 1, 2023.

20. Provincial Dispute resolution

The provincial parties may mutually agree to refer a dispute under Provincial Framework Agreement to final and binding arbitration.

21. Funding

Funding for the Provincial Framework Agreement will be included in operating grants to Boards of Education.

22. Employee Support Grant

The Parties agree to the principle that Support Staff union members who have lost wages as a result of not crossing lawful picket lines during full days of a BCTF strike/BCPSEA lockout will be compensated in accordance with the letter of agreement in Appendix A.

23. Adoption of the Provincial Framework Agreement

The rights and obligations of the local parties under this Provincial Framework Agreement are of no force or effect unless the collective agreement has been ratified by both parties no later than January 25, 2023, or a later date as established by the provincial parties if the local parties are engaged in mediation.

Dated this 15th day of September, 2022.

The undersigned bargaining representatives agree to recommend this letter of understanding to their respective principals.

 - a. A board and local union have a collective agreement which has been ratified by both parties no later than January 25, 2023 and,
 - b. There has been no successful strike vote by the BCTF or local support staff union prior to local union ratification.
2. Employees are expected to attend their worksite if there is no lawful BCTF picket line.

 - a. In the event that employees are prevented from attending work due to a lawful picket line, employees will be paid for all scheduled hours that the employee would have otherwise worked but for the labour dispute. Their pay will be 75% of their base wage rate.

4. Within forty-five (45) days of the conclusion of the labour dispute between BCPSEA and the BCTF, boards will reimburse each employee for all scheduled

hours for which the employee has not otherwise been paid as a result of strike or lockout.

5. If the employee disputes a payment received from the board, the union may submit the dispute with particulars on the employee's behalf to a committee comprised of an equal number of representatives appointed by BCPSEA and the Unions.
6. If the joint committee is unable to resolve the employee's claim it will submit the dispute to a mutually agreed upon arbitrator who must resolve the dispute within ten (10) days of hearing the differences between the board and the union.

RE: ARTICLE 37.04 TIME LOST THROUGH INJURY/WorkSafe BC LEAVE

This appendix intends to summarize the payroll processing for Article 37.04 Time Lost Through Injury/WCB Leave and will when wage loss reimbursement is recognized by WCB. This appendix outlines the process from the date of injury to the date that wage loss is no longer approved by WorkSafe BC.

Continuing Employees and Temporary Employees in Posted Positions

1. From the date of injury until WorkSafe BC approves reimbursement of wage loss, the employee will access Article 23(a) sick leave or if the employee has no sick leave bank, upon request employees may access their vacation and/or lieu banks. Otherwise Article 24.09(a) medical leave without pay will apply. Payroll will be processed according to those articles.
2. Once WorkSafe BC recognizes the injury for wage loss, Article 37.04 will apply as follows:
 - (a) Any sick leave used to pay the employee for wage loss recognized by WorkSafe BC will be reimbursed pursuant to Article 37.04(a) to the employee's sick leave bank.
 - (b) Any banked holiday and/or lieu time used to pay the employee for wage loss recognized by WorkSafe BC will be reimbursed to the appropriate bank of the employee.
 - (c) The payroll department will calculate an average net pay for the employee and will process this net pay on regular pay dates from the date WorkSafe BC recognizes wage loss until WorkSafe BC terminates wage loss reimbursements pursuant to Article 37.04(b).
 - (d) Any payment made by the employer for WorkSafe BC time off after WorkSafe BC terminates the wage loss pay will be charged to the employee's sick leave account pursuant to Article 23(a) or if the employee

has no sick leave bank will be considered medical leave without pay which will be recovered in the following pay period(s).

Temporary On-Call Employees

1. From the date of injury until WorkSafe BC approves reimbursement of wage loss, Temporary On-Call employees may, pursuant to the Collective Agreement:
 - a. Access accrued sick leave if they are in an on-call assignment as required by Article 1.03 (b)(3); and
 - b. To the extent they have any accrued vacation pursuant to Article 1.03 (b) and (c), access that accrued vacation regardless of whether or not they are in an on-call assignment; and
 - c. To the extent they have any accrued overtime pursuant to Article 19.01, access that accrued overtime regardless of whether or not they are in an on-call assignment.

2. Once WorkSafe BC recognizes the injury for wage loss, Article 37.04 will apply as modified below:
 - a. Any sick leave used to pay the Temporary On-Call employee for wage loss recognized by WorkSafe BC under Article 1(a) above will be reimbursed pursuant to Article 37.04(a) to the employee's sick leave bank.
 - b. Any accrued vacation and/or overtime used to pay the Temporary On-Call employees for wage loss recognized by WorkSafe BC under 1(b) and (c) above, will not be reimbursed to the employee's bank provided, however, that any vacation or overtime funds received by the employee pursuant to this article will not be deducted from any funds received by the Employer from WorkSafe BC with respect to the wage loss claim. In the event WorkSafe BC determines that vacation and/or overtime payments are deemed to be deductible from wage loss compensation, the Employer will reimburse the employee's vacation and/or lieu bank, as applicable.
 - c. Article 37.04 (first paragraph) and 37.04(b) are modified insofar as it pertains to Temporary On-Call employees so that the payroll department will calculate the amount anticipated to be paid by WorkSafe BC in the wage loss claim using the earnings reported on the Form 7 and will process this pay on regular pay dates from the date WorkSafe BC recognizes wage loss until the WorkSafe BC monies are received by the Employer in respect of the claim. At that point, any adjustment required to reconcile money paid by the Employer with the amount WorkSafe BC has determined is payable, will occur through payroll and on future paydays. After that point, the Temporary On-Call employee will be paid the amount received by the Employer in respect of the claim.
 - d. All monies received by a Temporary On-Call employee by way of compensation for loss of wages under the Workers Compensation Act shall be paid to the Employer in accordance with Article 37.04 (b).

- e. The remaining provisions of Article 37.04 not already referred to and/or modified above will apply to Temporary On-Call employees.

This letter shall remain in effect for the term of the Collective Agreement and is subject to the grievance procedure.

EMPLOYMENT INSURANCE TO EMPLOYEES**

The Premium Reduction program allows employers who have qualified short-term disability plans for their employees to pay employment insurance premiums at a reduced rate. School District No. 63 (Saanich) currently receives a reduced rate. As an employer we must ensure that employees covered by the plan benefit from five-twelfths ($\frac{5}{12}$) of this reduction.

The parties agree that the method to be used to return the employees' portion of the reduction will be to pay that amount to CUPE Local 441 twice yearly in January and July.

RE: ARTICLE 24.10 TEMPORARY WORK SITE CLOSURE

When the Board approves a temporary work site closure due to unforeseen circumstances and does not require the employee's services, employees will be informed through the media and the district web site as soon as possible to avoid the employee traveling to work. The Director of Facilities or designate will contact by 0515 hours those CUPE Physical Plant employees who are scheduled to work for 0600 hours or earlier to make arrangements for delaying, altering or cancelling their work schedule for the day. Pay for the temporary closure day will be pursuant to Article 24.10 (a) and/or (b).

On the first day of any closure, for employees whose service is required on a temporary work site closure, the employee will be paid pursuant to Article 24.10(a) and/or (b). In addition, the employee will be provided with time off in lieu for time worked. Article 19.01 will apply to determine if any of the time worked is calculated as overtime. The employee and employer can mutually agree to pay for the time worked rather than time off in lieu. For further days of closure the employee will be paid for any time required to work, and Article 19.01 will apply to determine if any of the time worked is at overtime rates.

RE: Alternative Work Schedules

During collective bargaining in 2011 and early 2012, the Employer and the Union negotiated a Letter of Understanding that would allow the parties to engage in trials of Alternative Work Schedules (AWS) by groups of employees in departments and/or locations where such schedules are desired by the affected employees, can be shown to be operationally feasible, where there would be no resultant cost increases to the Employer, and where WorkSafe BC's Occupational Health and safety regulations are not violated.

This Letter of Understanding documents the guidelines and parameters that the parties agree will be followed in establishing, implementing and operating Alternative Work Schedules (AWS) during trial projects for education assistants, clerical and information technology employees at the School Board Office (SBO), the Saanich International School Program (SISP) and South Island Distance Education School (SIDES).

1. An AWS, sometimes referred to as a compressed work schedule or compressed work week, is different than flex time or a flexible work schedule. Flex time refers specifically to the ability to start and end a daily work schedule at non-standard times while still working the normal daily hours and the number of days in a specified period. An AWS is an arrangement in which an employee or group of employees work additional time each day in order to facilitate having an extra period of time off during a specified period; e.g. working 9 slightly longer days and having a day off in every two week period.
2. An approved AWS may be implemented for an employee or a group of employees for a specified period of time subject to the following requirements:
 - a. Service levels will be maintained to students, employees and the public within the school district.
 - b. There will be no increase in costs to the school district or loss of benefits to employees as a result of an AWS.
 - c. Safety and security will be maintained and cannot be jeopardized by the existence of an AWS.

- d. An AWS will only be agreed to when the absence from work by the employee(s) does not require additional replacement staff and operational needs are met.
 - e. The AWS for the employee(s) is approved by the appropriate manager or administrator.
 - f. An AWS by one employee or group of employees will not adversely affect the work of others.
 - g. Lunch breaks and coffee break periods will not be compromised to create an AWS.
 - h. An AWS must commence at the start of a pay period and, if terminated, finish at the end of a pay period.
 - i. In the event that a vacancy occurs in a position for which an AWS is in place, the AWS agreement for the vacated position will end and the position vacancy will be posted with the normal work schedule.
 - j. Participation in an AWS will be voluntary and will be agreed to in writing for a specified period of time of at least two months by the administrator or manager and the affected employee(s) and will be filed with the Manager of Human Resources and the President of CUPE Local 441
 - k. An AWS may be terminated by any of the parties on one months' notice or sooner by mutual agreement.
3. An AWS will not reduce the scheduled hours of any employee.
 4. The overtime provisions of Article 19 apply to the AWS for all hours in excess of an employee's regular hours as designated within the AWS. Additional time worked and banked for purposes of the 2013 Spring Closure Week is not overtime in accordance with Letter of Understanding No. 19.
 5. Given that employees covered by an AWS will be paid for their normal work hours in each pay period, time off for other purposes such as vacation, sick leave, approved WCB claims and other types of paid leaves of absence will be recorded and paid according to the employee's normal (i.e. non-AWS) daily hours. Any extra time not worked in pay periods that include a statutory holiday will be made up by arrangement between the employee(s) and the manager/administrator.
 6. In pay periods in which there are two or more statutory holidays or other scheduled non-instructional or non-work days, the AWS will not be worked during that pay period and the employees will work their regular work schedule.
 7. Unforeseen issues arising out of the application and administration of this Letter of Understanding will be addressed in a timely manner and resolved by the Board and the Union in a mutually satisfactory manner. Unresolved issues will be subject to resolution through the grievance process pursuant to Articles 12 and 13.

This letter shall remain in effect during the term of this Collective Agreement or as otherwise mutually agreed by the parties and is without prejudice and precedent to the parties and to the articles of the collective agreement.

RE: SPRING CLOSURE WEEK 2023

This Letter of Understanding documents the agreements between the parties to accommodate an additional five-day school and School Board Office closure in the spring of 2023 from March 27th – 31st that will immediately follow Spring Break, which is scheduled for March 20th – 24th, 2023.

WHEREAS:

- A. Historically the Spring Break in the Saanich School District has been for a period of one week.
- B. The Board of Education has passed a motion that will result in the School District closing schools and facilities for a period of two weeks in the 2022-2023 school year.
- C. The Union is concerned that its members will either be required to take vacation or to take a leave of absence without pay during the extended spring break, resulting in a loss of income.
- D. The Parties wish to reduce or eliminate the impact on CUPE employees by permitting employees to work extra time throughout the school year in order to take the extra week of spring break without loss of income.
- E. The Parties have reached an agreement setting out how this will be accomplished.

THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. All continuing and temporary employees in posted positions during the 2022-2023 school year, subject to paragraph 2 below, will participate in this Agreement and work additional time daily to allow them to be paid their regular pay during the closure week of March 27th- March 31st, 2023.
2. Employees in posted positions will be allowed to decide not to participate in this LOU, subject to the approval of their school principal or manager, on a one-time only basis by signing and returning a form (to be provided) up to, but no later than 4:00 p.m. on September 18th, 2022. Such employees who opt out will be required to use vacation and/or banked overtime in order to be paid for the period

March 27th- March 31st, 2023 or they may elect to take time off without pay. If a signed form is not received by this date, employees will automatically be enrolled with no further provision for opting out. Any time accumulated prior to opting out will be paid out or transferred to employees' overtime banks at straight time rates.

3. All schools will be increasing their instructional day by 8 minutes per day throughout the school year to accommodate the reduction of 5 school days in March. The 2013-14 school year was the first time the closure week was instituted. At that time 8 minutes were added to each instructional day to accommodate for 5 closure days to what was the 2012-13 bell schedule.
4. Participating employees will work and accumulate their additional time during the available 39 weeks of instruction during the 2022-2023 school year excluding Summer Break, Christmas Break, Spring Break and Spring Closure.
5. Appendix A support staff (Clerical and School Support Workers), District Courier and Appendix B staff (Bus Drivers) in posted positions will work additional time based on their regular number of assigned weekly hours to achieve the required number of hours to receive uninterrupted pay for the Spring Closure week (see Attachment A at the end of this LOU).

Grounds, Maintenance, Data Services and Custodial employees in posted 40 hour per week positions will work 15 minutes per day of additional time from September 6th, 2022 to May 12th, 2023 excluding Summer Break, Christmas Break, Spring Break and Spring Closure.

6. For the purposes of this Agreement, it will be assumed that an employee has worked the additional required time when the employee is absent on the following types of approved leave: vacation, sick leave, unpaid medical leave of up to two months duration, family emergency, compassionate care, jury duty, temporary work site closures pursuant to Article 24.10, time on an approved WCB claim and full-day leaves for union business.
7. When an employee commences working in a posted position after the commencement of the school year and before spring closure week, their pay for the closure week will be prorated such that the employee will be credited for any partial or full month worked in the posted position. One-half day (prorated to the employee's weekly hours) will be deducted for any prior month in which the employee did not work at all in the posted position. For example, if an employee commences work in a posted position at any time during November, he/she will receive credit for the month of November and one day's pay will be deducted for the time not worked in September and October.
8. Similarly, employees who resign, are terminated or otherwise leave the School District after the spring closure week, but before June 30th, 2023 will have one

half day deducted from their pay in June for each calendar month in which the employee did not work.

9. Employees who resign, are terminated otherwise leave the School District prior to the closure week will be paid for all additional time that has been accumulated in their bank.
10. Pay for the spring closure week will be paid based on employees' rate of pay and assigned hours at the start of spring break.
11. Accumulated time will only be used to provide the employee with pay during the spring closure week, unless.
 - a. The employee resigns or is terminated prior to the spring closure week;
or
 - b. The employee is on an approved leave of absence over the dates of the spring closure week.
12. The overtime provisions of Article 19 will not apply for additional time worked in connection with this Letter of Understanding. All extra time will be accumulated at straight time rates.
13. Employees who are not in posted positions and are working on-call will not accumulate additional time in order to be paid during the closure week. These employees will be paid for all hours worked during each two-week pay period, including any additional hours required as a result of the changes to the instructional day. An on-call employee who is replacing an employee will not necessarily work the additional minutes of the replaced employee unless he/she is providing direct service to students and is required by the supervisor to work the additional minutes.
14. The actual schedules that employees will work to facilitate the accumulation of sufficient time during the school year will be determined by the school principal or department manager in consultation with the employee.
15. Unforeseen issues arising out of the application and administration of this Letter of Understanding will be addressed in a timely manner and resolved by the Board and the Union in a mutually satisfactory manner.

This Letter of Understanding applies only to the 2022-2023 school year.

RE: ORGANIZATION OF CUSTODIAL COVERAGE TO ENSURE APPROPRIATE CLEANING DURING PANDEMIC SUCH AS H1N1 FLU

The parties agree to meet before this letter of agreement is implemented at any time. It is important to avoid the closure of schools for health and safety reasons if custodians are absent due to illness caused by a pandemic such as H1N1 flu.

The parties have agreed that during a pandemic such as H1N1 there may be an emergent situation where greater than twenty-five percent (25%) over and above the normal absenteeism rate for other reasons of the total custodial staff is absent due to illness as a result of the pandemic. In this extraordinary circumstance the following protocol will be used:

1. Interventions to ensure our schools are clean and healthy in priority/sequential order:
 - a. Utilize all staff available for replacement of absent staff including both the pooled posted positions and casual replacement lists pursuant to Article 11.01; and if not adequate
 - b. Reassign custodian resources between schools on a day-by-day basis; and if not adequate
 - c. Reassign other qualified staff on a voluntary basis for a short term. These staff will be paid either custodial rate of pay or their regular rate of pay whichever is greater.
2. If unable to fully address cleaning during the week, utilize overtime on weekends to “catch up”. The District will utilize Letter of Understanding No. 8 to assign the overtime.

This Letter of Agreement is without prejudice and shall remain in effect for the period of this Collective Agreement and is subject to the grievance procedure.

RE: WINTER BREAK OPERATIONS

WHEREAS:

The Saanich School district has for many years fully shut down its operations for the three or four days during the Winter Break period that are not statutory holidays; and

The Union asserts that 12-month employees should be able to elect to work during this period rather than be required to take time off; and

The parties remain in disagreement that a shutdown of operations during this period would constitute a layoff.

THEREFORE:

Without prejudice to their respective views and positions, the parties hereby agree as follow:

1. Although there will not be a complete operational shutdown during the Winter Break period, employees are still encouraged to take vacation or use banked time as schools will be closed as usual for two weeks and the District will be attempting to realize operational savings by closing facilities and restricting operations to the greatest extent possible.
2. This agreement applies to 12-month employees. Ten-month and 11-month employees, whether or not they are designated as 12-month employees for vacation purposes in accordance with Article 22.05, will not be working during the period that schools are closed and normal operating procedures will apply for these employees.
3. Twelve-month employees may elect to work on the three or four days within the Winter Break that are not designated as statutory holidays and must either work

all of the days or none of the days except in cases in which the services of particular employees are required on one or more of these days and the exceptions have been pre-approved by the Director of Human Resources.

4. To allow district management to plan for meaningful work during the Winter period for those who elect to work, employees who want to work the three days must advise their manager of their decision no later than at 3:30 p.m. on the last Friday of November.
5. For operational and safety reasons a minimum of two employees will normally be required to work at a location unless suitable check-in arrangements can be made that conform to WorkSafe BC regulations. For some job classifications a minimum of two employees from that same job classification will be required.
6. Due to the small number of employees who may be working, District management will have the ability to assign employees who elect to work these days to specific work site(s) and specific projects within the normal parameters of their job classification for operational and safety reasons.
7. Leave of supervision appropriate to the numbers of employees working, the assigned projects and employee safety will be required and may adversely affect the vacation plans of some employees.

This letter shall be in effect for the life of the current collective agreement.

RE: Home-Stay Coordinators

WHEREAS:

The current three incumbent home-stay coordinators have been working under flexible arrangements that do not fully adhere to the provisions of the current collective agreement with respect to hours of work, overtime and after-hours phone calls; and

The Saanich International Student Program (SISP) requires a high degree of flexibility from the home-stay coordinators in order for the program to operate effectively to meet the diverse needs of international students and host home-stay parents.

THEREFORE:

The parties hereby agree as follows:

1. The home-stay coordinator positions are currently 12-month, 35 hour per week positions pursuant to Article 18,01.
2. Notwithstanding Articles 18.01, 18.07 and 18.08, home-stay coordinators may schedule their normal 7-hour work day as they deem necessary and appropriate to meet the needs of international students and host parents, SISP and themselves. This flexing of their hours of work will be done between 7:00 a.m. and 8:00 p.m. Monday and Friday.
3. Occasional evening work may be scheduled by the employer up to 6 times per year for the purpose of conducting home-stay parent orientations and other special in-town events for international students. These evening sessions will be organized in advance and scheduling of the home-stay coordinators normal work day may extend past 8:00pm during these events.
4. Hours of work in excess of 7 per day or 35 per week are considered overtime hours as defined in Article 19.

5. The Principal of SISP will notify all host parents to advise them of the after-hours contact procedures and the emergency contact information for SISP administrators.
6. This Letter of Understanding is without prejudice and precedent to any other employee or group of employees within the bargaining unit.

RE: 2022-2023 Support Staff Learning Improvement Fund (SSLIF)

WHEREAS:

The Ministry of Education, BCPSEA and the provincial support staff unions have agreed to a Support Staff Learning Improvement Fund (SSLIF) for Education Assistant Work.

THEREFORE:

The parties hereby agree as follows:

1. The parties will meet in advance of the school year to review the funding allotment and determine how Education Assistants will be notified accordingly.
2. It is understood that this fund can only be used for initiatives over and above core-funded jobs at the schools and the statute and regulations of the Learning Improvement Fund precludes use of the fund for non-educational initiatives.
3. The Education Assistants covered by this agreement include those in the following jobs: 47, 51, 62, 71, 72, 91, 100 and Job 106. Those EA's who hold assignments in more than one of these jobs will have their total SSLIF Collaboration Time allocated as described in #3 below.
4. Education Assistants in the above-noted jobs in posted positions of between 10 hours and 34.5 hours (i.e. 34 hours and 30 minutes) per week, both continuing and temporary, will be allocated Collaboration Time funds which can be used and worked **anytime** during the school year while the EA is in their assignment.
5. The Collaboration Funds allocated as hours per #5 below, will be accounted for on an individual basis for each eligible Education Assistant. Education Assistants in multiple assignments and locations are entitled to one single

allocation of SSLIF Collaboration Time. The allocated Collaboration Funds are to be utilized over the course of the school year as agreed to between the school principal (or designate) and the EA and are to be fully expended by each EA by the end of the school year.

EA's who do not use all their Collaboration Funds during the school year will not be able to carry-forward any unused funds to the following school year. At the end of the year, any unused portion of these Collaboration Funds will be carried forward to next year and added to the total SSLIF funds.

EA's in new assignments after February 28th are not entitled to Collaboration Funds.

6. The total amount of Collaboration Funds are not to exceed the total district funding amount. After these funds have been expended, new EA position(s) hired during the school year will not receive the Collaboration Time. **The following positions are entitled to a maximum of 20 hours per year of collaboration time; Jobs 47, 51, 62, 72, 91, 100 and 106.**
7. The district-based Job 106 position for 34.25 hours per week will continue to exclusively support school-to-work transition for students with special needs. The Job #106 position will not be used to back-fill other positions or perform Job-49 Student Monitor work. The Job 106 position will be supported with an allocation for mileage reimbursement in the amount of \$2,000 which will come out of the SSLIF funds.
8. At each of the neighborhood secondary schools and both ILC's, 10 hours will be added to each school and in seniority order a top-up of temporary hours to a maximum of 34.25 hours per week will be offered to Education Assistants at the start of each school year. These extra hours can be used to support student learning.
9. At each of the elementary and middle schools and the CDC a top-up of 5 temporary hours per week will be offered to one EA in seniority order as of June 30, 2020. These extra hours can be used to support student learning.
10. The Collaboration Time as described in #3 above is intended to be used for purposes such as collaborating with other EA's, teachers, administrators, colleagues and/or parents with respect to issues of students with special needs. It may be used to attend staff planning days, staff meetings, faculty meetings specific to a department, non-instruction days, IEP and team meetings provided the focus of these meetings is collaboration and deals with issues that cannot be handled during face-to-face time with assigned students.

11. Collaboration time is not to be used to increase an EA's face-to-face time with students or for professional development. Collaboration Time cannot be used to provide student supervision or student support. The scheduling of the Collaboration Time will be determined by the administrator in consultation with the EA. The funds are intended to be used throughout the school year, however it is recognized that there may be times during the year when more opportunities for collaboration are necessary.
12. Employees will record SSLIF Collaboration Time on their weekly timesheet only when they work the additional time using the "EA SSLIF" timesheet line. ie. Collaboration Time must be recorded on your timesheet on the day it is worked and it will be paid out each time within the pay period it is worked within. **Pay statements will report the amount of Collaboration Time worked.**

Overtime is not permitted when using Collaboration Time.

13. The Board will meet with the union during June 2021 to review the funds remaining in the SSLIF. Any funds from the School District's allocation that are not fully utilized by the increase in weekly hours will be used to support innovative practices and initiatives by and for EA's. The Board will provide the union will a full accounting of the status of the SSLIF by July 30th, 2021.

For the term of the collective agreement or as otherwise mutually agreed by the parties, this letter and its agreements will be review and amended at the beginning of each school year in light of the provincial funding allocated to the District for the Support Staff Learning Improvement Fund. This LOU is without prejudice and precedent to the parties and to the articles of the collective agreement.

RE: Labour Market Adjustment – Job #89 Programmer Analyst/Systems Administrator

This Letter of Understanding documents the parties' agreement regarding the Labour Market Adjustment (LMA) to be applied to the wage rate of the two incumbents of Job #89 – Programmer Analyst/Systems Administrator. This LMA was recently approved by the Public Service Employers' Council (PSEC) Secretariat in accordance with the following:

- The approved LMA is \$6.46 per hour, which will be added to the negotiated wage rate in effect currently (i.e. \$24.89) and to the negotiated wage rates that will come into effect during the remainder of the term of the collective agreement. That is, the LMA itself is not subject to increase by either negotiated general increases, job evaluation adjustments or Economic Stability Dividends, but rather is added to the base wage rate after any adjustment to the base wage rate.
- This LMA will be effective from the date of signing and will remain in effect for the incumbents of this position for an undetermined length of time based on need in order to resolve problems associated with recruitment and retention of employees in this position; i.e. Job 89. If in the future the employer and/or PSEC determine that the LMA is no longer warranted to attract and retain qualified incumbents, the employer will provide at least six months' notice that the LMA will end or be reduced over time. The circumstances giving rise to such a determination would mostly likely be that the base wage rate would have increased in relation to those of comparable positions in other organizations such that the Job 89 rate would be considered sufficiently competitive without the LMA or a portion of the LMA.

This Letter of Understanding shall remain in effect during the term of this Collective Agreement or as otherwise agreed by the parties and is without prejudice or precedent to the parties and to the articles of the Collective Agreement.

RE: Overnight SISP Field Trips

October 28, 2016

Mr. Dean Coates
President, CUPE Local 441

Dear Dean:

RE: Grievance #15-16-04 – Overnight SISP Field Trips

This letter documents an agreed trial resolution for above-noted grievance for the remainder of the 2016-2017 school year. It does not constitute a resolution of the issue of whether participation in overnight SISP field trips is bargaining unit work.

Prior to 2015-16 bargaining unit employees frequently participated in overnight field trips and acted as chaperones for the participating international students, along with teachers, administrators and parents who also went along on the trips. Such bargaining unit employees were paid their regular daily wages during the trips as well as having their expenses and other fees paid for by SISP. This practice was discontinued during the 2015-16 school year such that bargaining unit employees participating in these trips had to do so as volunteers without pay. Following our meeting with you, Brenda Davis and Christine Gaudet in September, we have been discussing the terms and conditions under which the practice might be reinstated for the International Program Assistants (IPAs), International School Assistants (ISAs) and potentially for other bargaining unit employees who may be asked to participate in the future.

For the balance of the 2016-2017 school year the parties agree to the following arrangements for overnight SISP field trips:

1. This arrangement is without prejudice and without precedent to any other group of employees within SD63.

2. This arrangement applies only to overnight SISP field trips. It does not apply to other SD63 field trips.
3. The administrators of SISP and the neighbourhood secondary schools will have sole discretion regarding the number of IPAs and /or ISAs that may be asked to participate in any trip. If fewer IPAs than the full contingent are requested to participate, the Principal will meet with the group to discuss who should attend the particular trip.
4. Participating employees will be paid their regular daily wages for each day of the trip. In addition, in recognition of the nature of their responsibilities during trips that do not conform to a normal working day, they will be entitled to one day in lieu for each trip spanning two nights and one-half day in lieu for trips spanning one night. These days are to be taken during the current school year at a time agreed to by their school principal.
5. Employees' expenses will be covered by SISP in accordance with Board policy and guidelines. In addition, employees will be able to participate in activities that are arranged for the international students on these trips (e.g. ski lift passes, whale watching, etc.) at no cost to themselves. If an employee does not participate in an activity, there will be no extra money provided to the employee in lieu of the cost of the activity itself.
6. This arrangement is being re-established and enhanced in recognition of the contribution that IPAs and ISAs are able to make on these trips due to their relationships with the international students.
7. Education Assistants who may be required to participate in overnight SISP field trips to work with a designated student are covered by the provisions of Appendix "A: (paragraph 6) and not by this arrangement.
8. During this trial arrangement for the 2016-17 school year, Grievance #15-16-04 will be held in abeyance. The parties will meet in February 2017 and before the end of June 2017 to review the arrangement after which it may be extended and/or amended by the mutual agreement of the parties. If the arrangement is extended in its current or an amended form, Grievance #15-16-04 will be considered fully resolved.

RE: TTOC's Working as Back-Up Education Assistants On-Call

WHEREAS the recruitment of qualified Education Assistants (EA) remains an ongoing challenge for the Employer which is resulting in short-term on-call vacancies being left unfilled;

AND WHEREAS the Union and the Employer seek to find a solution to fill short-term vacancies while efforts continue in the recruitment of qualified Education Assistants;

NOW THEREFORE the parties herewith agree as follows;

1. The Employer will offer an opportunity for Teachers-Teaching-On-Call (TTOC) within the Saanich School District to have their names added to a Back-Up EA On-Call list.
2. Where the Employer has determined the need for a replacement of an Education Assistant vacancy, and the call out of the primary Education Assistant on-call list has been exhausted, the Employer will organize a "Back-Up EA On-Call" from the list of TTOC's who have expressed interest in being called in to work as an Education Assistant.
3. It is the responsibility of SD63 TTOC's interested in working as a Back-Up EA On-Call to notify the Human Resources Department if interested in being placed on the Back-Up EA On-Call list or if they would like their status on the list to be altered.
4. Once a TTOC has accepted a call-in EA opportunity that assignment shall not be altered or cancelled for subsequent competing TTOC short term vacancies.
5. It is the intention of the parties to ensure a TTOC who has accepted EA work receives any appropriate entitlements as outlined under the support staff collective agreement. It is not the intention of the parties to provide superior or duplicate entitlements where a TTOC is already receiving entitlements under the BCPSEA and BCTF Provincial Collective Agreement. The parties agree to meet to discuss and resolve concerns pertaining to duplicate or superior entitlements if they arise.
6. This Letter of Understanding will be reviewed by the parties at the beginning of each school year following an assessment of continual need and effectiveness.

7. This Letter of Understanding shall remain in effect until June 30th, 2023 and is without prejudice or precedent to any other bargaining unit position or articles of the collective agreement.
